In RE:LPAC (C00519413)
Request for Additional Information dated June 7, 2016
Reference: Year-End Report (07/01/2015 ? 12/31/2015)

Dear Mr. Rebollozo:

This letter is in response to your Request for Additional Information (?RFAI?) dated June 7, 2016, in which you raised concerns regarding possible excessive contributions.

We have reviewed the report and our records, and we are confident that LPAC did not accept or deposit excessive contributions into LPAC?s federal ?contribution? account.

Instead, we have determined that a combination of software programming and clerical errors resulted in our mistakenly disclosing contributions that were deposited into LPAC?s ?Non-Contribution Account? on Line 11(a)(i) instead of Line 17. An amendment to the report corrects these errors by disclosing the contributions on Line 17 and including the statement ?Non-Contribution Account? as memo text where each contribution is itemized on Schedule A in accordance with the Commission?s ?Reporting Guidance for Political Committees that Maintain a Non-Contribution Account? cited in the RFAI.

We have also discovered these errors produced similar mistakes in LPAC?s First Quarter Report (01/01/2016 ? 03/31/2016) and have filed an amendment to that report correcting them.

Finally, we have taken appropriate steps to help ensure these errors do not repeat, including correcting the software programming error.

It is hoped that the above response, along with the amended reports, addresses your concerns.

Thank you.

Sincerely,

Beth Shipp, Assistant Treasurer
